

28 April 2009

Dear Parents/Guardians,

### CONDUCT OF TEMPERATURE-TAKING EXERCISE

In the light of the recent swine flu outbreak in Mexico, MOE has advised SPED schools to conduct a temperature-taking exercise.

2. The aim of the exercise is to raise the level of readiness so that schools are ready to implement daily temperature-taking, if and when it becomes necessary to do so.
3. The school will be conducting a temperature-taking exercise on **Thursday, 30 April 2009** at the main entrance (for students coming by school bus) and at the side gate (for students coming on foot and by public or private transport).
4. We also seek your assistance to monitor the well-being of your child/ward and to refrain from sending him or her to school if he or she is unwell, and to consult a doctor if necessary. Student should only return to school when they have fully recovered.
5. Thank you for your support and cooperation.

Yours sincerely

Mrs Jenny Lai  
Principal
