

## Communication Updates 01/10

1 April 2010

Dear Parents / Guardians,

This is my first communication letter to all parents / guardians for the year. I apologize for the lack of information on school matters in Term 1. It has been a hectic first term as we had enrolled 31 new students in January 2010, taking student enrolment to 128. Our teachers have done a wonderful job of settling our new students in.

In January, we also welcomed a group of 12 Youth For Autism (YFA) interns who have been engaged by the school to support the teachers in the classes and in carrying out specially assigned school projects. These YFA interns are A Level students who have been specially selected from a pool of more than 200 applicants from the various Junior Colleges in Singapore. They will continue to be with the school until June 2010.

### **Parent Communication and Training Night (Friday, 9 April 2010)**

This is a very important meeting and we urge all parents to join us as we will be updating you on our plans for the move to the new school.

At that meeting too, we have scheduled for a parent / caregiver training segment, introduction of our new staff and YFAs, updates on the school's programmes for Term 1 and a short meet up with your child's current class teachers. We have an exciting programme lined up for the evening and we look forward to engaging with all of you.

The details of the session are as follows:

Day: Friday, April 2010

Time: 6 to 9 pm

Venue: Yuan Ching Secondary School Hall (2<sup>nd</sup> level)

Parking facilities are available at the secondary school compound and light refreshments will be served. Kindly complete and return the Attendance Reply Slip to the school by Tuesday 6 April 2010 to facilitate our logistics and planning.

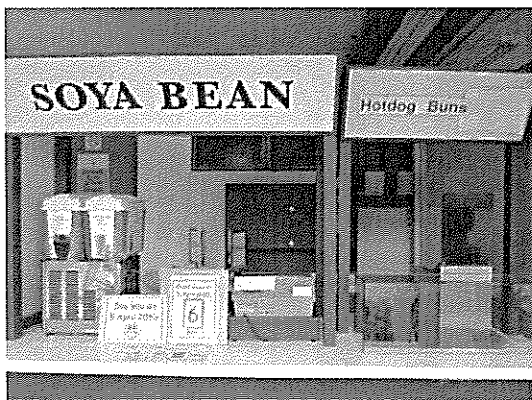

## Opening of Mr Bean Kiosk in Eden School

With the successful set up of a Mr Bean kiosk in Pathlight School as one of the worksites for training students in F&B skills, Eden School is privileged to be involved in this partnership with Mr Bean to have a similar set up in Eden School.

This project has involved months of planning and with the approval of a food licence from NEA this week, we are able to start the kiosk operation on Monday, 5 April. For a start, 2 school staff will operate the kiosk; thereafter selected students will be inducted for training in the kiosk operations. The kiosk is not open to the public.

Besides the soya bean and grass jelly drinks, we will also be selling hotdog buns. The kiosk will operate daily during recess time and for lunch on CCA days.

Below is a picture of the kiosk and menu prices:

### Menu Prices

Items	Selling Price
Soya Bean Milk*	\$ 0.80
Mixed Drink*	\$ 1.10
Grass Jelly Drink*	\$ 0.80
Hotdog Bun	\$ 1.00

*Menu prices for drinks are regulated*

At the kiosk, there will be visuals to prompt the students to request for their selected orders, as well as a money container for students to place their change.

To facilitate our kiosk operation, we appreciate if parents could help us with the following:

- Discuss with your child / ward regarding this new stall. If possible, take him / her out to visit a Mr Bean kiosk over this Easter weekend. Engage your child in conversations with regards to the menu and the choices available.
- Help your child decide what he wishes to purchase at the kiosk and on which days of the week – he can bring his snacks on other days.
- Then give him / her exact change. This will greatly facilitate our kiosk operations and enable us to clear the queue faster.

We are very excited about this new initiative and will share with you more about our first week of kiosk operations during the PCN meeting. Thank you.

Yours sincerely

  
Mrs Jenny Lai  
Principal

**REPLY SLIP**

**Parents' Communication & Training (PCN) Night 01/10  
Friday, 9 April 2010 (6 – 9 pm)
