HAND FOOD MOUTH DISEASE (HFMD)

There has been a recent spike in HFMD cases highlighted in the media. We request the cooperation of all parents and caregivers to check the well being of your child / ward before sending him / her to school in the morning. We have had cases of students reporting to school who were unwell and we had to request parents to fetch them home.

Maintaining good hygiene measures such as regular and proper handwashing should be practiced both at home and in school. The school will take steps to ensure that the premises are regularly cleaned and disinfected.

COMMENCEMENT OF CCA PROGRAMME

This is a reminder that the school's CCA Programme will commence on Tuesday, 24 August. Kindly return all consent forms to the school if you have not done so.

COMMENCEMENT OF OPERATION OF MR BEAN KIOSK

With the successful issue of the Food Licence by NEA this week, the school will commence its operations of Mr Bean kiosk with the selling of soya bean and grass jelly drinks, and hot dog buns. This will take effect from Monday, 23 August 2010.

Besides training our older students at the kiosk, it is also a good opportunity for the other students to practice purchasing skills and the use of money in an authentic setting.

The prices of the food and drink items are as follows:

| Menu Prices | |
|--------------------|----------------------|
| Items | Selling Price |
| Soya Bean Milk* | \$ 0.80 |
| Mixed Drink* | \$ 1.10 |
| Grass Jelly Drink* | \$ 0.80 |
| Hotdog Bun | \$ 1.00 |

Menu prices for drinks are regulated

Your class teachers will update you further as we increase the range of food to be made available for sale during recess time.
