Dear Parents / Guardian,

Workshop for Parents and Caregivers (*not to be missed!*)

Based on the results of Eden School's Caregiver Learning Needs Survey 2009, parents and caregivers have indicated interest in learning more about preparing young adults with ASD for employment.

I am pleased to inform you that ARC's Training arm, AITC, will be organizing a workshop entitled 'Preparing Young Adults with ASD for Employment' on Saturday, 13 November from 9 am to 1 pm at Pathlight School.

The workshop is conducted by Mr Michael Chapman, Director of Supported Employment Program for individuals with autism, Division TEACCH, University of North Carolina, USA. Mr Chapman has a wealth of experience preparing and integrating youths with autism into community workplace settings. Mr Chapman was here in Singapore in June this year for the Autism Congress and he was a much sought after speaker.

We enclose a flyer on the workshop (see back page) and a registration form for your use. We strongly encourage you to attend this workshop. Please give Ms Lina Kam a call at 6323 3258 to inform her if you are attending, fax the registration form and make payment on day of workshop or send registration form with cheque payment via mail.

ARC Year-end Holiday Enrichment Programmes

The ARC Year-end Holiday Enrichment Programmes are finally out!
