## Communication Updates 05/2024

Dear Parents / Guardians,

We hope Term 3 has been smooth so far. As we move beyond the midpoint of the year, there are important matters that requires parents/guardians' attention.

### Students' Well-being and Attendance

Please ensure your child/ward is well before sending them to school. Notify your child/ward's educators promptly of any absences and provide relevant supporting documents.

Visual screenings will be conducted upon arrival. If your child/ward shows symptoms of acute respiratory infection (ARI), such as fever or cough, please pick them up promptly and seek medical attention.

### Students' Safety and Security

Please note that wearing your caregiver pass is mandatory for entry into school premises. If you do not have it, registration of details (name, contact number, and your child/ward's name) is required before admission. These measures are enforced to allow access only to authorized individuals. Our staff are committed to maintaining these protocols for the safety of all. We appreciate your cooperation and respectful behavior towards our staff.

### Upcoming Events

National Day celebrations (normal school hours)	Thurs 8 Aug
Students are encouraged to wear a red top with school shorts/skorts.	
National Day (public holiday)	Fri 9 Aug
STARS – AAS/Eden School staff celebration (school closure)	Thu 29 Aug
Teachers' Day (school holiday)	Fri 30 Aug
